Flat Branch Watershed Relief Sewers Project

Project Sponsor: *City of Columbia, Missouri*
Public Works Department – Sanitary Sewer Utility

COMMENT FORM ♦ INTERESTED PARTIES (IP) MEETING — DECEMBER 11, 2014

The *Flat Branch Watershed Relief Sewers (FBWRS) Project* design team is seeking input to move forward in selection of a preferred alignment for *FBWRS Project #1* that best achieves the project goals described during this IP Meeting. We value your comments on what you have seen and heard tonight about the project. ***Please provide your contact information below to receive future project updates.*** Information will be sent via email unless requested otherwise. In addition to this form, you may send comments via email to PubW@GoColumbiaMo.com, or in regular mail to the attention of Mr. Pat Fitzgerald, P.E., to the following address:

City of Columbia – Public Works Department; 701 E Broadway; PO Box 6015; Columbia, MO 65205

If you prefer to comment online, or would like to review information about the project, please visit:
