Re: 2011 Specification and Standards Update
Addendum #1 Changes

To: Whom it May Concern

The City of Columbia adopted new Street, Storm Sewer, and Sanitary Sewer Specifications and Standards on January 1, 2012. During the past 5 months, some items have been brought forward to staff for clarification and requests for modifications. The first addendum to the original adopted standards will take effect as of today; June 1, 2012. These changes will be posted on the City's website:
