Ms. Brownlee,
I have confirmed this with the City Manager and he has agreed to add this to the agenda. You will be the third speaker on the Scheduled Public Comment portion of the July 17th agenda.

Thanks,

Hi Heather,
My topic has to do with the NYT's article on Mizzou rather than what is on the agenda for 7/17.
A more appropriate title would be:
"The economic case for Columbia to pursue excellence in reducing racial disparities"
This is why I submitted my request to be scheduled for public comment.
Many thanks,
Martha

Ms. Brownlee,
I am writing to confirm we have received your request to speak at the July 17th City Council meeting. However, it is our policy that scheduled public comments not be allowed on any topic related to an agenda item under public hearing, old business, consent agenda, new business or introduction and first reading. There will be a bill (B198-17) on the old business section of the agenda that relates to your topic.
Since items on old business allow for public comment already, we cannot allow a scheduled public comment. You will just want to approach the dais to address Council when this item comes up and the Mayor opens the item up for public comments. You will still be allowed the same time limits of 3 minutes as an individual and 5 minutes if you represent a group.

Please confirm you received this and let me know if you have any questions.
