RE: Case 17-188: Clary-Shy Agricultural Park PD (PD Plan)

To Whom It May Concern,

As a nearby property owner I am in favor of the plans to build the agriculture park. I hope it will be a positive attraction for the neighborhood. My only recommendation for the project would be to plant specimen trees along Ash St that would grow large enough to provide shade and some privacy for the parking lot. I believe this would contribute to the beautification of the street as well. This would be in line with the minimum landscaping standard set forth by the city to contribute to higher quality of life, enhanced appeal, and economic value.

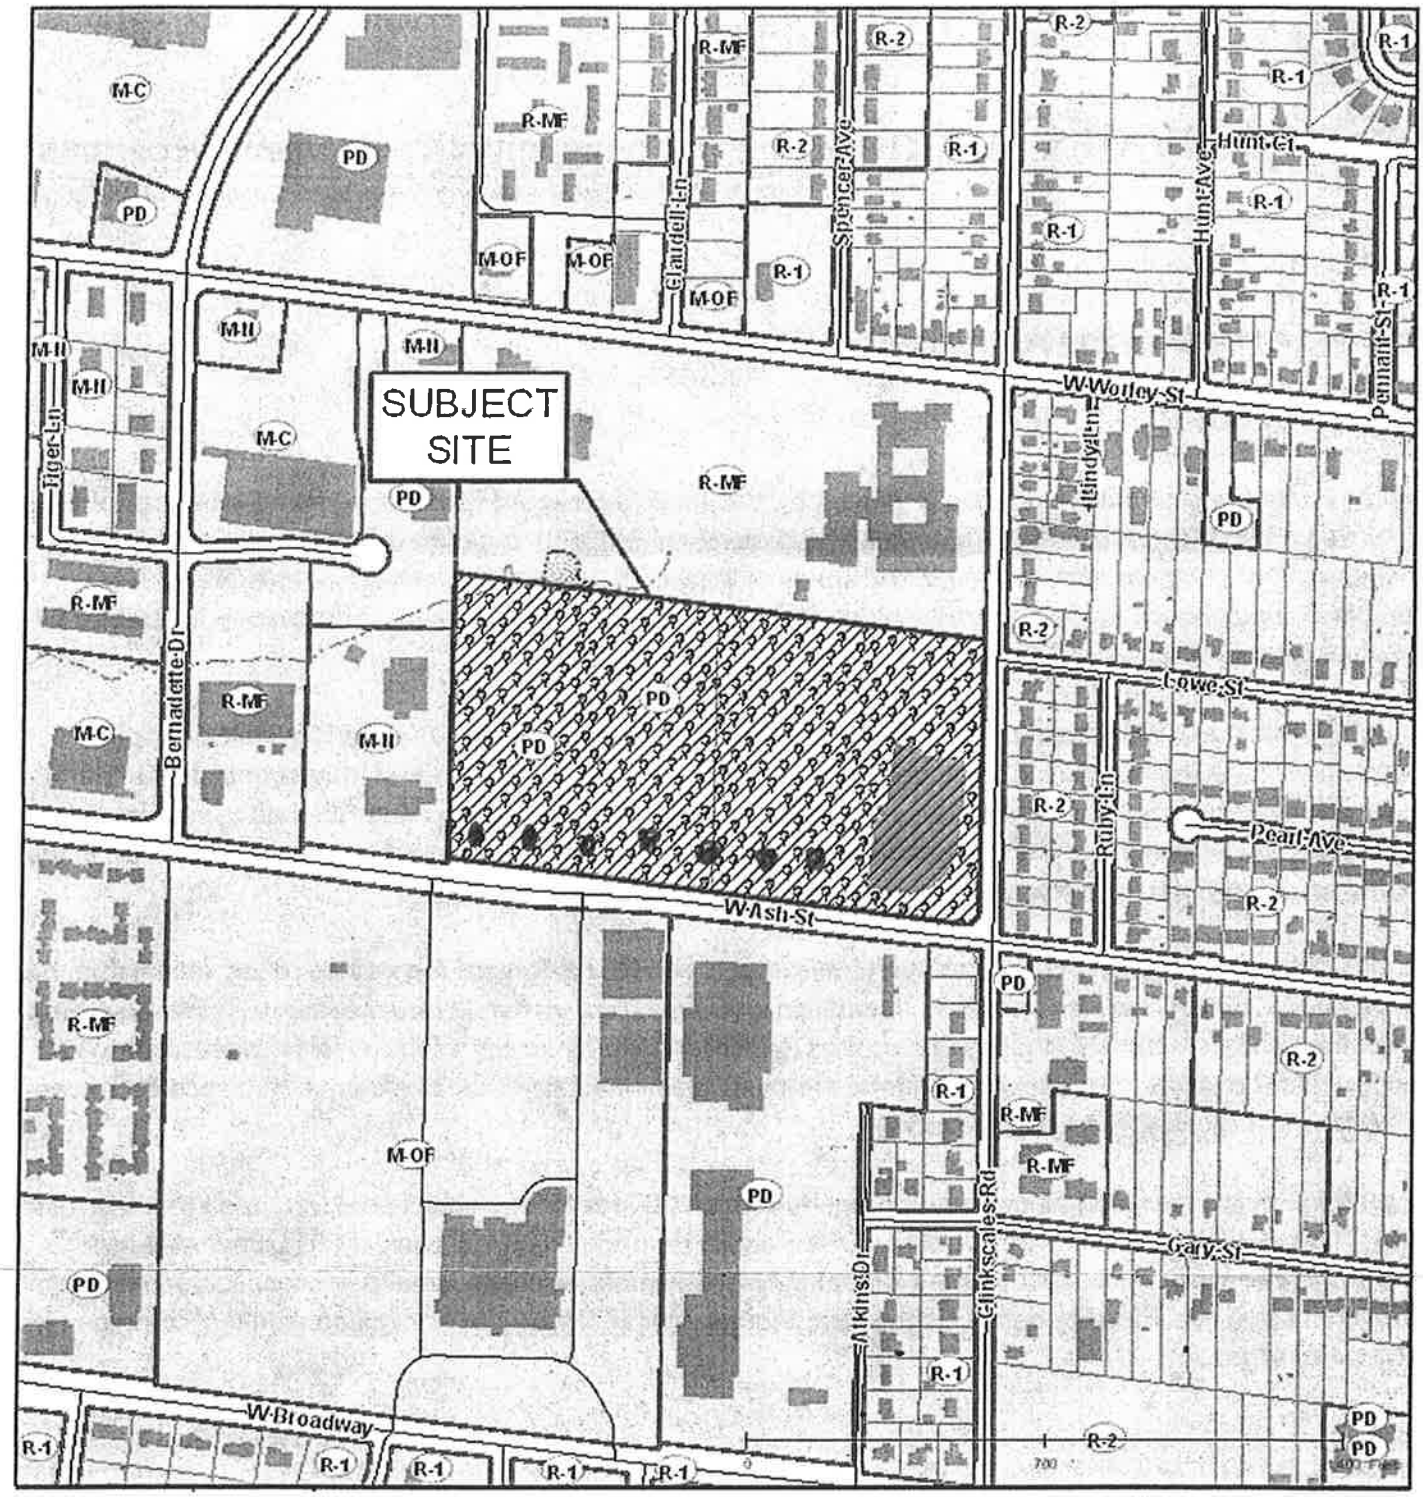

Sincerely,

Thomas C McNabb
