DHSS is excited to offer a project to engage with the SHSH store in Columbia-Boone County. The DHSS will provide funding in the amount of \$999.99 between October 1, 2017 and September 30, 2018 in exchange for your participation with MU Extension for technical assistance to work with the following SHSH store:

In order for the stores to be successful and the program sustainable, activities must be completed on both the supply and demand side. By participating in this final year, for each store, your LPHA staff:

MUST COMPLETE	CHOOSE ONE ACTIVITY FROM THE FOLLOWING
Interview with the store owner	Hold taste tests (can partner with MU Extension if available)
Hang "NEW" SHSH shelf talkers, signs, & posters. Spanish banners are also available for participating Latino stores.	Hold a youth activity such as a Youth Healthy Smoothie Competition
Conduct a healthy food shelf space measurement	Hold a nutrition class (can partner with MU Extension if available)
Hang a poster board survey	Organize a community event such as a wellness fair or participate in one already organized

The DHSS will provide items to support the community education and help with SHSH store promotion.
