Re: Support for Solid Waste Compactor Lease at Wabash Arms

Dear Mr. Sorrell:

The Downtown CID would like to offer support for the proposed lease between the City of Columbia and Wabash Arms in order to place a solid waste compactor.

Compactor locations within the Downtown CID Solid Waste District are beneficial by offering enclosed units that accommodate more solid waste capacity in a reduced footprint, effectively providing solid waste service for nearby users. Compactors are preferred as solid waste is contained, improving the overall experience of downtown.

The proposed Wabash Arms lease was reviewed by the Downtown CID Solid Waste Committee and is supported by the overall Board of Directors.

Sincerely,

A handwritten signature in black ink, appearing to read 'Katie Essing', is written over a light blue horizontal line.

Katie Essing
Executive Director
Downtown Community Improvement District
