Ordinance No. 023469 Council Bill No. B 27-18

AN ORDINANCE

determining it is in the public interest to construct the Shepard to Rollins Trail Project (Trail Alignments 1 and 3); approving and adopting plans and specifications; determining that the work shall be done by contract; calling for bids through the Purchasing Division; providing for payment for the improvements; authorizing the City Manager to obtain, execute and record all documents necessary for the improvements; providing for compliance with the prevailing wage law and state-mandated construction safety training; and fixing the time when this ordinance shall become effective.

WHEREAS, an interested parties meeting for the proposed construction of the Shepard to Rollins Trail Project was held on January 26, 2015; and

WHEREAS, a public hearing was held on March 16, 2015 for construction of the Shepard to Rollins Trail Project; and

WHEREAS, the City Council determined it to be in the best interest of the public to hold an additional public hearing on the Shepard to Rollins Trail Project on February 5, 2018; and

WHEREAS, the City Council adopted a subsequent resolution declaring the necessity for the proposed construction of the project; and

WHEREAS, the notice of the additional public hearing on this project was published in a daily newspaper of general circulation in the city.

NOW, THEREFORE, BE IT ORDAINED BY THE COUNCIL OF THE CITY OF COLUMBIA, MISSOURI, AS FOLLOWS:

SECTION 1. The Council finds that the construction of Shepard to Rollins Trail Project (Trail Alignments 1 and 3) in the City of Columbia, Missouri, is necessary for the welfare and improvement of the city and that it is in the public interest that such improvements be made. Proposed improvements include the following:

Trail Alignment 1

Construction of a ten (10) foot wide trail, water crossings, retaining walls and other miscellaneous work between Rollins Road and the south end of the Bluffdale Drive cul-de-sac.

Trail Alignment 3

Extension of the existing Hinkson Creek Trail from its current terminus north of Stadium Boulevard near Old 63 to connect to Trail Alignment 1, approximately 400-feet west of Valleyview Road, and the construction of two (2) bridges.

SECTION 2. The plans and specifications for this improvement project, as prepared by the Directors of Public Works and Parks and Recreation, are hereby approved.

SECTION 3. The construction of the improvement project shall be done by contract in accordance with the plans and specifications, the laws of the State of Missouri, and the Charter and Ordinances of the City of Columbia, Missouri.

SECTION 4. The Purchasing Agent is hereby authorized to call for bids and execute a contract for the improvement project.

SECTION 5. Payment for Trail Alignment 1 shall be made from Non-Motorized Transportation Pilot Program grant funds, park sales tax funds and such other funds as may be lawfully appropriated. Payment for Trail Alignment 3 shall be made from park sales tax funds and such other funds as may be lawfully appropriated.

SECTION 6. The City Manager is authorized to obtain, execute and have recorded all licenses, easements, deeds and any other conveyances or instruments necessary for the City to complete this improvement project.

SECTION 7. Pursuant to Section 290.250 RSMo., the contract for the improvement project shall provide that not less than the prevailing hourly rate of wages, as found by the Department of Labor and Industrial Relations of Missouri, shall be paid to all workers performing work under the contract. The contractor's bond shall guarantee the faithful performance of the prevailing hourly wage clause in the contract. The City shall also cause to be inserted into the contract a stipulation that all laborers and mechanics employed by the contractor or subcontractors in the performance of work under the contract shall be paid wages at rates not less than those prevailing on similar construction in the locality as determined by the Secretary of Labor in accordance with the Davis-Bacon Act.

SECTION 8. Pursuant to Section 292.675 RSMo., the bid specifications and contract for the improvement shall provide that the contractor and any subcontractor shall provide a ten-hour Occupational Safety and Health Administration construction safety program (or a similar program approved by the Missouri Department of Labor and Industrial Relations) for all employees working on-site. All employees working on the site of the improvement project are required to complete the safety program within 60 days of beginning work on the improvement project.

SECTION 9. This ordinance shall be in full force and effect from and after its passage.

PASSED this 5th day of February, 2018.
