Dear Dave:

The Downtown CID would like to formally request the adoption of a revised Solid Waste Ordinance (Section 22-171) for the Downtown Community Improvement District Solid Waste District.

We have a vibrant and growing downtown that requires evolving processes to accommodate solid waste needs. This revised ordinance will provide additional guidance for development projects to plan for waste removal, in order to avoid overburdening existing facilities.

Our goal is to provide a clean and safe downtown environment for our constituents. Thank you in advance for your time and consideration.

Sincerely,

A handwritten signature in black ink, reading 'Katie Essing'. The signature is fluid and cursive, with the first name 'Katie' being more prominent than the last name 'Essing'.
