

**AGENDA REPORT  
PLANNING AND ZONING COMMISSION MEETING  
March 23, 2017**

**SUMMARY**

A request by Fleet Specialties Real Estate, LLC (owner) for a three-lot replat of C-P and C-3 zoned property. The 3.36-acre subject site is located on the east side of Old 63, between McAlester Street and Gordon Street. **(Case #17-73)**

**DISCUSSION**

The applicant is requesting a three-lot final minor plat of C-P (Planned Business District) and C-3 (General Business District) zoned land, which would allow for the sale and development of proposed Lots 102 (zoned C-3) and 103 (zoned C-P).

Proposed Lot 101 (zoned C-P) is developed with Columbia Car Care and proposed Lot 102 (zoned C-3) is developed with a small commercial building. The approved development plan for C-P zoned portion of the site (including proposed Lots 101 and 103) identified the southern portion of the C-P zoned parcel (proposed Lot 103) for future development. The proposed final minor plat will allow this future development area to be divided from its parent parcel and developed, subject to review and approval of a C-P plan in accordance with applicable planned district standards.

Necessary rights-of-way and utility easements are provided on the plat, and the proposal meets all applicable City Zoning and Subdivision standards. A sidewalk will be required along the public street frontages of proposed Lots 102 and 103 prior to certificates of occupancy being issued for any new development of either Lot 102 or 103.

**RECOMMENDATION**

Approval of the proposed final plat
