Ordinance No. _____

Council Bill No. B 373-07

AN ORDINANCE

determining it is in the public interest for replacement of a picnic shelter and restroom building at Cosmo-Bethel Park; approving and adopting plans and specifications; determining that the work shall be done by contract; calling for bids through the Purchasing Division; determining that a portion of the project shall be done by city employees; providing for payment for the improvement; authorizing the City Manager to obtain, execute and record all documents necessary for the improvement; providing for compliance with the prevailing wage law; and fixing the time when this ordinance shall become effective.

WHEREAS, the City Council adopted a resolution declaring the necessity of replacing a picnic shelter and restroom building at Cosmo-Bethel Park; and

WHEREAS, the resolution was published in a daily newspaper of general circulation in the city; and

WHEREAS, the City Council has held a public hearing on replacement of a picnic shelter and restroom building at Cosmo-Bethel Park.

NOW, THEREFORE, BE IT ORDAINED BY THE COUNCIL OF THE CITY OF COLUMBIA, MISSOURI, AS FOLLOWS:

SECTION 1. The Council finds that the construction of improvements at Cosmo-Bethel Park, specifically the replacement of a picnic shelter and restroom building, in the City of Columbia, Missouri, is necessary for the welfare and improvement of the city and that it is in the public interest that such improvements be made.

SECTION 2. The plans and specifications for this improvement, as prepared by the Director of Parks and Recreation and filed in the office of the City Clerk, are hereby approved and made a part of this ordinance by reference.

SECTION 3. The construction of the improvement shall be done by contract in accordance with the plans and specifications, the laws of the State of Missouri, and the Charter and Ordinances of the City of Columbia, Missouri.

SECTION 4. The Purchasing Agent is hereby authorized to call for bids and execute a contract for demolition and construction of the picnic shelter and restroom building. As deemed advisable by the City Manager, city employees shall be used for the final landscaping.

SECTION 5. Payment for this improvement shall be made from Park Sales Tax Funds and such other funds as may be lawfully appropriated.

SECTION 6. The City Manager is authorized to obtain, execute and have recorded all licenses, easements, deeds and any other conveyances or instruments necessary for the City to complete this improvement.

SECTION 7. The contract for the improvement shall provide that not less than the prevailing hourly rate of wages, as found by the Department of Labor and Industrial Relations of Missouri, shall be paid to all workers performing work under the contract. The contractor's bond shall guarantee the faithful performance of the prevailing hourly wage clause in the contract.

SECTION 8. This ordinance shall be in full force and effect from and after its passage.

PASSED this _____ day of _____, 2007.

Ward 5

Summary: The Department of Parks and Recreation is requesting authorization to proceed with the replacement of the 30+ year old picnic shelter and restroom buildings at Cosmo-Bethel Park. Total project cost is \$255,000 with funding coming from the Park Sales Tax. Construction is scheduled to begin this winter with an estimated opening date of spring 2008. Project will be completed using contract labor with final landscaping done by force account labor. The restroom and shelter will be similar to those as constructed at Stephens Lake Park.

Project Description: The Department of Parks and Recreation is requesting authorization to proceed with the replacement of the shelter and restroom at Cosmo-Bethel Park. As identified in the *Parks, Recreation, and Open Space Master Plan*, these 30+ year old facilities have been repaired and modified throughout the years, but are now at a point where replacement is required.

Funding for the project was included in the City's FY-08 capital improvement budget with a total estimated project cost of \$255,000 with funding coming from the Park Sales Tax. Construction is scheduled to begin this winter with an estimated opening date of spring 2008. It is anticipated that the shelters and restroom will be demolished and the new facilities constructed at or very near the former site to take advantage of the existing utilities. The demolition and construction of the restroom building will be contracted while Park Department staff will handle the final landscaping. The new shelter and restroom will be similar to those as constructed at Stephens Lake Park and it is anticipated that the restroom will be heated for year round use or at least an extended season use.

Public information on this projected was made by contacting user groups such as the Columbia Public School District and local athletic organizations; posting the information on the department's web site and on October 18, 2007, conducted an interested parties meeting at the ARC. All comments were in favor of the project. The project will be bid through the City's Purchasing Department and will be bid with a similar restroom project at Cosmo Park.

Recommended Council Action: If the Council concurs that the project should proceed, the resolution calling for the public hearing should be approved. Following the public hearing, the ordinance authorizing the construction phase of the project should be adopted.
