Re: Gold Route Apartment Agreement for 2013/2014 Academic School Year

EXECUTIVE SUMMARY:

Staff has prepared for Council consideration a Resolution authorizing an agreement with CCAL 301 Campus View, LLC (Campus View apartments) for transportation services via the Gold Route, for the 2013/2014 academic school year.

DISCUSSION:

Columbia Transit provides public transportation service to several apartment complexes along Old Highway 63 and south Providence, which cater primarily to college students. These complexes enable their tenants to board the bus "free at the farebox", by contracting with the City. The semester passes are issued to the apartment complexes to provide to their tenants. Any other transit rider would pay the normal applicable fare as they board the bus, or may purchase an applicable pass from Columbia Transit. Services are only provided during the University of Missouri's fall and spring semesters; no summer service is provided. These transportation agreements allow Columbia Transit better planning opportunities and the ability to more efficiently manage its resources.

FISCAL IMPACT:

The cost for transportation services for the 2013/2014 academic school year is \$13,715 per semester for 220 beds. The 450 remaining beds at this complex are covered under the University of Missouri shuttle contract.

The combined contractual fees do not pay all associated operational expenses, but do significantly increase the revenue for the routes. In addition, they allow Columbia Transit to provide a service which removes hundreds of private cars from the City roadways each day.

VISION IMPACT:

<http://www.gocolumbiamo.com/Council/Meetings/visionimpact.php>

An efficient, innovative, accessible public and human services transportation system will be fully integrated with all other forms of transportation in Columbia and surrounding communities. It will be possible for all residents to live easily in Columbia.

Expand the public transit system, and identify and fill in existing gaps in that system to include longer hours of service, more frequent service, and greater coverage of the city.

SUGGESTED COUNCIL ACTIONS:

Approve the resolution authorizing the City Manager to execute an agreement with CCAL 301 Campus View Drive, LLC for transportation services.
