Re: Speed Limit Reduction on Bray Avenue and Cunningham Road

**EXECUTIVE SUMMARY:**

Staff has prepared for council consideration legislation amending Chapter 14 of the City Code to lower the speed limit to 25 miles per hour on Bray Avenue and Cunningham Road.

**DISCUSSION:**

Staff received a request to lower the speed limit on Bray Avenue and Cunningham Road from 30 mph to 25 mph. Both roads are neighborhood collectors, and qualify for the lower speed limit due to documented average daily traffic volumes below 2,000, and only residential dwellings access the roads. Policy Resolution 182-09, which sets speed limit policy for residential streets, also indicates the type of streets that are eligible for "Kid Friendly" type speed limit signs. Bray Avenue and Cunningham Road both qualify for these publicly funded signs, and will be installed by Street Division operation's staff, generally near the entry to the neighborhood.

Staff proposes to amend Section 14-223 of the City Code to remove Bray Avenue and Cunningham Road from the 30 mph list, which will then default these roads to a 25 mph speed limit.

Bray Avenue

Current Speed Limit = 30 MPH

Proposed Speed Limit = 25 MPH

Cunningham Road, from Bray Avenue to Chapel Hill Road

Current Speed Limit = 30 MPH

Proposed Speed Limit = 25 MPH

**FISCAL IMPACT:**

The cost for the signs is \$524 and will be installed and paid from the Street operation's account.

**VISION IMPACT:**

A network of safe roadways in and around the City will provide sustainable, effective mobility to vehicular travel and other modes in a complimentary manner.

**SUGGESTED COUNCIL ACTIONS:**

Approve the legislation amending Section 14-223 of the City Code to remove Bray Avenue and Cunningham Road from the list of roads permitting a 30 mph speed limit.
