From: City Manager & Staff

Council Meeting Date: September 2, 2014

Re: City of Columbia Classification and Pay Plan for FY 2015.

Documents Included With This Agenda Item

Council memo, Resolution/Ordinance, Exhibits to Resolution/Ordinance

Supporting documentation includes: FY 2015 Classification and Pay Plan; Amendments to the City of Columbia Classification and Pay Plan FY 2015

Executive Summary

The ordinance recognizes a 2% across the board pay increase for all permanent employees, applies market based adjustments to the A through F pay structures, recognizes time in classification pay increases for eligible permanent employees, and amends the City Classification and Pay Plan for FY 2015. Changes have been developed according to the City's compensation philosophy, adopted in FY 2014. All pay proposals are included in the FY 2015 proposed budget.

Discussion

The proposed changes to the Classification and Pay Plan for FY 2015 include adjustments to all pay bands to reflect market changes, and implementation of the results of the annual classification maintenance review process. Both an across the board pay increase of 2% for all permanent employees and time in classification pay increases for eligible employees are included in the FY 2015 budget.

1. A two percent (2%) across the board pay raise is included in the FY 2015 budget for permanent employees. The across the board increase becomes effective for the pay period beginning September 28, 2014.
2. Market based adjustments are made to the minimum, midpoint and maximum pay points in the City's six pay structures. The application of the proposed band increases is calculated off the increase to the midpoint.

Any permanent employee whose classification is assigned to a pay grade where the minimum of the pay grade is greater than the employee's current rate of pay will receive a pay increase to the minimum of the new pay grade. Funds for these increases are included in the FY 2015 budget.

The proposed pay structures are attached.

3. Employees with at least five (5) years of service as of March 1, 2014 in their current classification will receive a time in classification pay increase. This increase is intended to move employee pay toward

City of Columbia

701 East Broadway, Columbia, Missouri 65201

the midpoint of the pay range, after five years in a job. For FY 2015, the increase is calculated on the difference between the employee's current rate of pay and the pay range midpoint. Twenty percent (20%) of the difference is budgeted for these moves toward midpoint for FY 2015.

4. The proposal adopts changes to the Classification and Pay Plan for new classification additions, closed classifications, classification separation, classification market adjustments, classification reassignment, and title changes. These changes are reflected in the FY 2015 budget.

The changes reflect the results of the first annual classification plan review process after the adoption of the new classification and pay system in FY 2014, including review of all classifications with a midpoint of \$35,000 or less, market assignment, recruitment issues, new positions and reorganizations. All changes are included in the FY 2015 budget. The City Manager shall assign employees to appropriate classifications adopted by this ordinance.

A list of specific changes to classifications in the City of Columbia Classification and Pay Plan is attached.

The proposed Classification and Pay Plan becomes effective for the pay period beginning September 28, 2014.

Fiscal Impact

Short-Term Impact: The 2% across the board pay increase and time in classification pay increases are included in the FY 2015 budget. Any employee whose classification is assigned to a pay grade where the minimum of the pay grade is greater than the employee's current rate of pay will receive a pay increase to the minimum of the new pay grade. Funds for these increases are also included in the FY 2015 budget.

Long-Term Impact: Increases to employee pay will continue in future years.
