## Executive Summary

Crockett Engineering Consultants, LLC (agent) on behalf of Mill Creek Manor Inc. (owner) requests approval to vacate a sanitary sewer easement on property located east of Scott's Blvd, west of St Rt KK, and north of Astoria Way, and generally located on property platted as Wyndham Ridge, Plat No. 3. Passing the ordinance will approve the easement vacation.

## Discussion

The applicant is requesting that the City vacate an existing sewer easement that is located within property that is platted as Wyndham Ridge, Plat No. 3. The 16-foot wide easement was dedicated, and the sewer line was installed, prior to the final platting of Wyndham Ridge, Plat No. 3. However, the lot and right of way configuration of Wyndham Ridge, Plat No. 3 required the relocation of the sewer line. The relocated sewer line and corresponding easement are currently in place and have been inspected and approved by City staff, and staff has determined that the easement under consideration for vacation is no longer required.

Locator maps are attached.
