## Documents Included With This Agenda Item

Council memo, Resolution/Ordinance, Exhibits to Resolution/Ordinance

**Supporting documentation includes:** None

## Executive Summary

The purpose of this ordinance is to offer the memorandum of agreement between the County of Boone, Missouri and City of Columbia, Missouri for a 40-60% split of available funds on the established disparity formula. This will result in the city's share of the funds being \$22,883.40 to purchase equipment.

## Discussion

Through a written, signed agreement between the City of Columbia, Missouri and County of Boone, Missouri, an award in the form of a grant for law enforcement equipment could be obtained. This action is not acceptance of the funding. This is one of the necessary steps to comply with the application conditions.

This grant will be used to purchase nine (8) Motorola APX6000 Portable Radios (depending on cost estimates) for the police department.

## Fiscal Impact

**Short-Term Impact:** \$22,883.40 will be the Columbia Police Department's share of this grant's funding and will be used to replace existing radios that are beyond their estimated life and in need of replacement. The radios cost approximately \$3,358 each (based on a recent estimate). There will be no additional cost to the city for the next two years.

**Long-Term Impact:** This grant will be used to replace existing radios, there will be no additional costs to the city for years beyond two.
