

APPENDIX A

Appendix A contains amenities, site maps, photos, and proposed improvements for each City-owned park and facility. The proposed improvements are taken from Chapter 11, “Section I – Existing Facilities.” CIP projects that have secured funding are not listed in the proposed improvements. Estimated costs represent contracted work, unless otherwise indicated as force account labor (FAL). Site maps do not include proposed improvements.

Also included are properties that have recently been acquired and/or are scheduled for development by the Parks and Recreation Department.
