<p>Overall Older American Klub programs have decreased attendance due to the age of the participants. Many of the long time participants have health programs and are decreasing their participation. We are trying to replace old programs with new programs to attract a new audience. The decrease in music & bands is due to the Jammers/Goldenaire band rapidly losing members due to sickness and death. The band used to play at numerous nursing homes but is unable to do so.</p>

<p>Due to the excessive heat and lightening storms, we had to cancel several softball and golf practices, so the numbers for the month are much lower than what they should be. All of the athletes from CPRD that competed in the first Special Olympics National Games did very well! Everyone that went said it was a wonderful experience, and they hope that Special Olympics will hold another in the future.</p>
