Hinkson Pedway Project Set to Begin

COLUMBIA, MO – Construction is set to begin next week on a new pedway along Old Highway 63. During construction, there will be lane closures going southbound between Hinkson Creek and Stadium Boulevard.

The bridge over Hinkson Creek on Moon Valley Drive will be closed permanently to all vehicular traffic and will be modified for trail use only.

The work is scheduled to be completed over the winter.

For more information, contact the Parks and Recreation Department at 874-7460.
