## **Neighbors on the Go--Bonnie View Park Master Plan**

COLUMBIA, MO - On Tuesday, May 25, join Columbia Parks and Recreation staff for a walking tour of a new community park located near Fairview Elementary School. You'll see unique natural areas, community garden plots, practice fields, Scott's Branch Creek, and be able to help park planners with possible locations for trails, shelters, playgrounds and a nature center. Enjoy an evening walk and an opportunity to provide input on the park master plan.

Meet at the Fairview Park Shelter (1001 Fairview Road) at 6:00 pm. From there, park planning staff will lead small groups on a walking tour of the 90 acre Bonnie View Park. During the tour, planners will discuss possible development options for the park and seek public input. The walking tour will last approximately 45-60 minutes and will start and conclude at the Fairview shelter.

A path will be mowed through the park so comfortable walking attire is all that is needed. This program is sponsored by the P&R Department and the GetAbout Columbia's Neighbors on the Go program. GetAbout Columbia's Neighbors On The Go program is designed to show you how easy - and fun - it is to walk or bike in your neighborhood.

For more information, please contact Tammy Miller at 874-7465 or GetAbout's Janet Godon at (573) 442-7189 ext 29.
