## Dedication of Greenbriar Trail June 26, 2013

The Greenbriar Trail connector is a half-mile paved, shared-use trail located in the southwest corner of Columbia, near the Mizzou Tennis Complex. Greenbriar links about 1,500 homes in the Green Meadows area to Columbia's trail system, the University of Missouri and downtown, by connecting to the MU Recreation Trail and the MKT Trail.

Greenbriar leads from Greenbriar Drive through a beautiful natural wooded area, with a tree canopy providing shade for bicyclists and walkers.

<p><b>Total cost of project (acquisition, engineering services and construction):</b> \$971,037 <b>Length:</b> .5 mile <b>Design:</b> HDR Engineering Inc. <b>Construction:</b> Lehman Construction Co. <b>Project Manager:</b> Columbia Public Works <b>Trail Maintenance:</b> Columbia Parks and Recreation</p>
---

This project represents a terrific partnership of municipal, state and federal organizations: the City's Public Works and Parks and Recreation departments, the University of Missouri, the Missouri Department of Transportation and the Federal Highway Administration Non-Motorized Transportation Pilot Program.

Construction of the trail was funded through the Federal Highway Administration's Non-Motorized Transportation Pilot Program. Once the trail is completed, it will be maintained by Parks and Recreation.

The Greenbriar Trail expands the network of Columbia's walking and biking opportunities increasing the choices for both safe and fun travel and recreation options. Thank you for being here to share in the dedication.

## Greenbriar Trail Connector

Dedication Ceremony  
6:30 pm, June 26, 2013

Welcome ~ Mike Matthes, City Manager, City of Columbia

Remarks ~ Timothy Wolfe, President, University of Missouri System
