

Design Team “Preferred Alternative” Recommendation

ALTERNATE A / ALTERNATE B—same functionality, but with different look and visual experience

DRAFT

1. Alternative A or B provides equally for changes in pedestrian behavior and greater enhancement to pedestrian & vehicle safety.
2. Both options offer visual connection & identity to University setting
 - a) ALT A: Connection to “White Campus”
 - b) ALT B: Better through-visibility of vertical element

College Avenue Safety Enhancement Project

Making the CASE for a Safer College Avenue
