RE: Street, Storm Drain, and Sanitary Sewer Specifications and Standards
Major Revision

Dear Sir or Madam:

The City of Columbia's last major revision to the Street, Storm Sewer, and Sanitary Sewer Specifications and Standards was on January 1, 2012. Over the last few months City staff has reviewed and revised the specifications and standards to reflect current practices and procedures for design and construction. The newly revised Street, Storm Drain, and Sanitary Sewer Specifications and Standards and the list of revisions are posted on the City's website at http://www.como.gov/PublicWorks/Engineering/san_sewer_toc.php. The document will become effective on October 1, 2016.

Feel free to contact Allison Anderson, of my staff, if you have any questions. Her number is (573) 817-5048 and her email is allison.anderson@como.gov.

Sincerely,

A handwritten signature in black ink, appearing to read 'David Nichols', is written over the word 'Sincerely,'.

David Nichols, P.E.
Director
