Dear Property Owner or Interested Party:

The City of Columbia Public Works Department has scheduled an informal Open House informational meeting concerning an upcoming trail construction project. This meeting will be held on **Thursday, June 12, 2014 from 5:30 P.M. to 7:00 P.M.** at **Russell Boulevard Elementary School**, 1800 Rollins Road, Columbia, MO. The meeting will take place in the Media Center.

The purpose of this meeting is to present design concepts for the County House Trail Phase 2 project, which includes the construction of trail between Stadium Boulevard and College Park Drive from the end of County House Trail Phase 1 north to Rollins Road. A location map is enclosed.

Construction of this project is currently scheduled to begin in 2015.
