

C. INTENT AND DEFINITIONS:

1. The intent of these specifications is to specify the type and quality of all water main materials, the method and procedure of construction, the inspections and testing methods, and the terms of acceptance by the City of Columbia of any water main work or extension on any main or mains, that are or will be an active part of the water system of the City of Columbia, Missouri.

2. Definitions:

City: City of Columbia, Missouri.

Water Department: Water and Light Department of the City of Columbia, Missouri

City's Engineer: The Director of the Water and Light Department of Columbia, Missouri, or his duly authorized representative.

Owner's Engineer: An individual designated by the owner to fulfill the responsibilities and or duties of an engineer or architect

Inspector: The engineering or technical inspector or inspectors authorized by the Director, Columbia Water and Light Department.

Contractor: The individual or firm to which this contract is awarded.

Owner: Applicant for the approved water main extension (generally the developer).

AWWA: American Water Works Association.

"Or Equal": Any part or fitting submitted to the Engineering Division of the Columbia Water and Light Department for evaluation and determined by them to be equal in quality and performance to any currently specified acceptable manufacturer and series.
