

PLANNING PROCESS

Meeting 1

Existing Conditions

Stakeholder Input

Meeting 2

Big Ideas

Priorities

Meeting 3

Draft Recommendations

Meetings 4 & 5

PZC Hearing

Council Adoption

REASONS TO PLAN

Potential deliverables and outcomes

- * Residents' priorities can inform City's budget and capital improvement plans
- * Identify issues the City might not know about
- * Match neighborhood needs and projects to applicable funding sources
- * Strengthen communication channels and forge partnerships between neighbors, stakeholder groups and city staff
- * Identify potential areas and agents of change and develop a plan to manage and benefit from it rather than just react
