Did then and there commit the following offense and the facts supporting this belief are as follows:

On January 9th, 2021 I received a complaint from the Columbia Police Department that Black and Gold had been operating past 10:30pm. At 10:45pm that night I went with CPD to Black and Gold for a compliance check. When we arrived we saw the lights were still on and the parking lot was full of cars. We had tried to open both doors to the establishment but they were both locked. After knocking for some time the person in charge had opened one of the doors and let us come inside. When we got inside there were multiple patrons still drinking/ being served. I have attached a picture that was taken at 10:57 pm of patrons at the bar and seated still drinking. I told the person in charge that this was in violation of the Public Health Order that states all establishments that serve alcohol must be closed at 10:30 pm.

That these facts herein are true and constitute a violation of Section 11-115 of the Columbia Code of Ordinances for a violation of Section 1.07 of Order No. 2020-11, promulgated on September 18, 2020 by the Director of Public Health and Human Services and punishable under Section 11-81 and 1-8 of the Columbia Code of Ordinances.
