## IV. OLD BUSINESS

## V. NEW BUSINESS

A. Discussion of Upcoming Changes for 2018 International Code Council

Committee discussed methodology for this code cycle review.
Some members believed the previous process of line by line review was very tedious and time consuming. Many suggested adopting as written, but group likes everyone's input.

**GROUP DISCUSSION DECIDED UPON THE FOLLOWING COMMITTEES, TO BE VOTED ON AT NEXT MEETING**:

1. IBC, IEBC, IFC (Stage canopy & sprinklering of existing assembly halls), IECC
2. IRC, ISPSC
3. IPC, IFG, IMC
4. NEC
5. IPMC

Spreadsheet was sent around to mark which books each member might need in order to serve on appropriate committee, and it was decided to email spreadsheet to members not in attendance.

Once committees are formed, City representatives will report major changes, as seen by City staff, to each committee. Each committee should then choose their review process and report to the whole commission.
