Steve,

Please accept this email as notification on behalf of CVS to table the C-P rezoning request for the 8/22 Planning & Zoning Commission hearing. As discussed we'd like some additional time to address the latest re-review comments and coordinate further with City staff. I believe the next meeting date for Planning & Zoning Commission is 9/5 and request to be placed on the agenda for that meeting.

The Developer and CVS Deal Manager will be in Missouri the week of August 26th and would like to meet with you and Pat Zenner to discuss this project. They're visiting multiple sites across the state but it looks like sometime between the 27th and 29th will work best. I'll be in touch as it gets closer but please check your availability and let me know of any issues.

Thanks,

David Barnett, EI
