Re: Right-of-way vacations - Rock Valley Plat 4 (Case #13-152)

EXECUTIVE SUMMARY:

A request by Central Missouri Land, LLC and C-Hill, LLC. (owners) to vacate Hillcrest Road and two additional right-of-way segments located on property north of Chapel Hill Road between Face Rock Court and Madison Park Drive. The vacation of the rights-of-way are in conjunction with a one-lot final plat to be known as "Rock Valley Plat 4". (Case # 13-152)

DISCUSSION:

The applicants are seeking authorization to vacate three segments of public right-of-way. The vacation request has been prompted by the proposed redevelopment of the 12 acres surrounding the rights-of-way into an assisted living/continuing care retirement community (CCRC).

Two of the three right-of-way segments do not provide access to any existing structures and are of no practical use to the applicant nor adjacent properties. The third, Hillcrest Road, currently provides the sole access to two occupied rental properties (1800 and 1804 Hillcrest Road) under the applicants ownership and has public utilities located within it. A request to demolish the two rental structures has been submitted and is pending issuance subject to the tenants vacating the property. Once the structures are removed, this right-of-way will also serve no useful purpose to the applicants or the public.

The request to vacate the three right-of-way segments has been reviewed by internal and external departments and agencies and is supported. However, due to the necessity to maintain legal access to 1800 and 1804 Hillcrest Road the Law Department requests that the vacation of Hillcrest Road be approved contingent on demolition and relocation of utilities. The Community Development Director will notify the City Clerk in writing when such conditions have been met. The ordinance would be signed once the occupied dwellings and utilities have been removed and relocated.

A delayed effective date for the vacation of the Hillcrest Road right-of-way ensures that public access for city services and utilities is maintained as long as the structures are occupied. Proceeding forward with the other vacation requests is not believed premature since those rights-of-way are non-essential.

A locator map, vacation exhibits, and legal descriptions are attached.

FISCAL IMPACT:

This action will reduce future fiscal impacts by the removal of a segment of public right-of-way. Redevelopment of the property will install privately maintain improvements.

VISION IMPACT:

None

SUGGESTED COUNCIL ACTIONS:

Approval of the vacation requests provided that:

1 - The ordinance vacating that portion of Hillcrest Road providing access to 1800 and 1804 Hillcrest Road be delayed until the structures are removed.
