CONTRACT CONDITIONS - PAGE 2

IN ORDER TO RECEIVE FEDERAL FUNDING, THE GRANTEE AGREES TO COMPLY WITH THE FOLLOWING CONDITIONS IN ADDITION TO THOSE OUTLINED IN THE NARRATIVE OF THE CONTRACT.

I. RELATIONSHIP: The relationship of the Grantee to the Missouri Highways and Transportation Commission (MHTC) shall be that of an independent contractor, not that of a joint enterpriser. The Grantee shall have no authority to bind the MHTC for any obligation or expense without the express prior written approval of the MHTC. This agreement is made for the sole benefit of the parties hereto and nothing in the Agreement shall be construed to give any rights or benefits to anyone other than the MHTC and the Grantee.

II. EQUIPMENT

- A. PROCUREMENT:** Grantees may use their own procurement regulations which reflect applicable state/local laws, rules & regulations provided they adhere to the following:
1. Equipment with a cost of \$3,000 or more must be purchased on a competitive bid basis, or purchased through use of state cooperative procurement;
 2. Price or rate quotations shall be solicited from at least three (3) qualified sources;
 3. All procurement transactions, regardless of whether by sealed bids or by negotiation, shall be conducted in a manner that provides maximum open and free competition;
 4. Grantees shall have a clear and accurate description of the item to be purchased. Such description shall not, in competitive procurements, contain features that unduly restrict competition. A "brand name or equal" description may be used as a means to define the performance or other requirement of a procurement;
 5. If for some reason the low bid is not acceptable, the Grantee must have written approval from the MHTC prior to bid approval and purchase.
 6. Grantees will make a good faith effort to utilize minority and women owned businesses within resource capabilities when procuring goods and services.
- B. DISPOSITION:** The Grantee shall make written request to the MHTC for instructions on the proper disposition of all items of equipment provided under the terms of this contract.
- C. REPLACEMENT:** No equipment may be funded on a replacement basis. Participation in equipment and manpower projects must be in addition to the grantee's previous twelve months authorized strength.

III. FISCAL RESPONSIBILITY

The voucher must reflect actual costs and work accomplished during the project period, to be submitted on the appropriate MHTC form or in a format approved by the MHTC, and shall include project number, project period, hours worked, rate of pay, any other allowable expenditures, and must be signed by the contracting official. Vouchers should be received by the MHTC within ten (10) working days from the date of the authorizing official/project director's signature. Final payment is contingent upon receipt of final voucher. **AUDITS:** Grantee will be responsible for the required supporting documentation no later than 30 days after the end of the contract period.

C. OMB AUDIT: If the Grantee expends five hundred thousand dollars (\$500,000) or more in a year in federal financial assistance it is required to have an independent annual audit conducted in accordance with OMB Circular A-133. A copy of the Audit report shall be submitted to MoDOT within the earlier of thirty (30) days after receipt of the auditor's report(s), or nine (9) months after the end of the audit period. Subject to the requirements of OMB Circular A-133, if the Grantee expends less than five hundred thousand dollars (\$500,000) a year, the Grantee may be exempt from auditing requirements for that year, but records must be available for review or audit by applicable state and federal authorities. Failure to furnish an acceptable audit may be basis for refunding federal funds to MHTC. Cost records and accounts pertaining to the work covered by this contract shall be kept available for inspection for representatives of MHTC for a period of three (3) years following date of final payments. Copies of such records shall be made available upon request.

IV. The MHTC shall be the sole arbitrator of whether the Grantee or its subcontractor is performing its work in a proper manner with reference to the quality of work performed by the Grantee or its subcontractor under the provisions of this contract.
