1. PURPOSE

Participating Jurisdictions (PJs) receiving U.S. Department of Housing and Urban Development (HUD) entitlement grant funds must develop a Citizen Participation Plan (CPP) in accordance with Title 24 CFR 91.105 of the Housing and Community Development Act of 1974, as amended. The CPP describes efforts undertaken to encourage citizen participation in the development of the City of Columbia's federal reports: 5-year Consolidated Plan, the annual Action Plan, and the Consolidated Annual Performance and Evaluation Report (CAPER).

The CPP is designed to encourage the participation of City residents in the development of the federal reports listed above, particularly low to moderate income residents. The CPP also encourages local and regional institutions and other organizations (including businesses, developers, and community and faith-based organizations) to participate in developing and implementing the 5-year Consolidated Plan and related reports. The City shall take appropriate actions to encourage the participation of persons of minority backgrounds, persons with limited-English proficiency, and persons with disabilities. The City shall also encourage participation from residents of public and assisted housing facilities in the development and implementation of the consolidated plan.

The City of Columbia is committed to compliance with the Americans with Disabilities Act (ADA) and Section 504 of the Rehabilitation Act of 1973, as amended. Reasonable modifications and equal access to communications will be provided upon request. The City of Columbia does not discriminate on the basis of disability in the admission or access to, or treatment or employment in, its programs and activities.

The CPP applies to five areas of planning for the use of affordable housing, community and economic development made possible through HUD funding:

- A. The 5-year Consolidated Plan;
- B. The Annual Action Plan;
- C. The Consolidated Annual Performance and Evaluation Report (CAPER);
- D. Substantial amendments to a 5-Year Consolidated Plan and/or annual Action Plan; and
- E. Amendments to the Citizen Participation Plan.

The City of Columbia's CDBG and HOME program/fiscal year begins January 1 and ends December 31st. In order to receive entitlement grant funding, the U. S. Department of Housing and Urban Development (HUD) requires jurisdictions to submit a Consolidated Plan every five years. This plan is a comprehensive strategic plan for community planning and development activities. The annual Action Plan serves as the City's application for these HUD grant programs. Federal law also requires citizens have opportunities to review and comment on the local jurisdiction's plans to allocate these funds.

The purpose of programs covered by this CPP is to improve the Columbia community by providing: decent housing, a suitable living environment, and economic opportunities for low and moderate income households.

This document outlines how members of the Columbia community may participate in the five planning areas previously listed (A-E). General requirements for all or most activities are described in detail in Section 5 of the Citizen Participation Plan (CPP).

2. HUD PROGRAMS

The City of Columbia receives two entitlement grants from the U.S. Department of Housing and Urban Development (HUD), to help address the City's affordable housing, community and economic development needs.

- A. Community Development Block Grant Program (CDBG):** Title I of the Housing and Community Development Act of 1974 (PL 93-383) created the CDBG program. It was re-authorized in 1990 as part of the Cranston-Gonzalez National Affordable Housing Act. The primary objective of the CDBG program is to develop viable urban communities by providing decent housing and a suitable living environment and by expanding economic development opportunities for persons of low and moderate income. The City develops locally defined programs and funding priorities for CDBG, but activities must address one or more of the national objectives of the CDBG program. The three national objectives are: (1) to benefit low- and moderate- income persons; (2) to aid in the prevention or elimination of slums or blight; and/or (3) to meet other urgent community development needs. The City of Columbia's CDBG program emphasizes activities that directly benefit low and moderate-income persons.
- B. HOME Investment Partnerships Program (HOME):** HOME was introduced in the Cranston-Gonzalez National Affordable Housing Act of 1990 and provides funding for housing rehabilitation, new housing construction, acquisition of affordable housing, and tenant-based rental assistance. A portion of the funds (15 percent) must be set aside for community housing development organizations (CHDOs) certified by the City of Columbia.

3. LEAD AGENCY

The Community Development Department (CDD) is designated by the Columbia City Council as the lead agency for the administration of the CDBG and HOME grant programs. Through the U.S. Department of Housing and Urban Development (HUD) the CD Department administers the CDBG and HOME programs. As the lead agency for HUD, the CD department is responsible for developing the 5-Year Consolidated, Annual Action Plans, and the Consolidated Annual Performance and Evaluation Report (CAPER).

The CD Department coordinates with the Columbia Division of Human Services, the Columbia Housing Authority, other City Departments and local service providers to develop these documents.

4. PLANNING ACTIVITIES SUBJECT TO CITIZEN PARTICIPATION PLAN

- A. **THE FIVE-YEAR CONSOLIDATED PLAN.** The City of Columbia's 5-year Consolidated Plan is developed through a collaborative process whereby the community identifies needs, goals and funding priorities for Columbia's affordable housing, and community and economic development activities.

Citizen participation is an essential component in developing the 5-Year Consolidated Plan; amending the plan and reporting on program performance. Focus groups, public hearings, community meetings, citizen surveys and opportunities to provide written comment are all a part of the strategy to obtain citizen input. The City will make special efforts to solicit the views of low to moderate income citizens, and to encourage the participation of all citizens including minorities, the non-English speaking population, and persons with disabilities. Actions for public participation in the 5-Year Consolidated Plan follow:

- i. **Community Development Needs Survey:** CD Department staff will coordinate the development of a survey detailing community needs and funding priorities for the City of Columbia. Staff will coordinate with the University and local service providers in developing the survey and obtaining survey data. Survey data and analysis will be used by staff in developing priority community development needs for the consolidated plan.
- ii. **Focus Groups:** In developing the Consolidated Plan, the City will consult with other public and private agencies, both for-profit and non-profit entities providing or having direct impact on the broad range of housing, health, and social services needed by Columbia residents. The purpose of these meetings is to gather information and data on community development needs. The City will seek specific input to identify the needs of persons experiencing homelessness, persons living with HIV/AIDS and their families, persons with disabilities and other special populations. A list, dates and descriptions of the 8 focus group meetings are as follows:

Analysis of Impediments to Fair Housing, November 12, 2013: Define fair housing and educate the public on fair housing in Columbia and obtain input identifying impediments and barriers to fair housing.

Consolidated Plan Neighborhood Congress, January 9, 2014: Educate the public on consolidated plan process, HUD funding and obtain input on City of Columbia community development needs.

Affordable Housing, January 23, 2014: Define and educate stakeholders on the status of affordable housing in the City of Columbia and obtain input from service providers, housing providers and the general public on affordable housing needs.

Community Housing Development Organizations (CHDOs), January 23, 2014: Educate CHDOs on HUD requirements and gain input on how to most effectively utilize HOME CHDO funding.

Community Facilities, February 5, 2014: Explain and educate service providers on eligible uses of CDBG funds and obtain feedback on community facility needs (renovations, expansion, and new construction).

Economic Development, February 6, 2014: Explain and educate the public, business leaders and key stakeholders on eligible economic development uses of CDBG funds and requirements. Gain input from public, business leaders and key stakeholders on economic development needs.

Neighborhood Needs, March 13, 2014: Define and educate the public and neighborhood groups/organizations on eligible and past uses of CDBG for public improvements. Obtain input on neighborhood and public improvement needs (streets, sewers, sidewalks, roads, parks, demolition and housing rehabilitation).

Homelessness, March 19, 2014: Educate the public on the status of homelessness in Columbia and obtain input from the public and service providers regarding homelessness needs.

- iii. **Utilize Quantitative and Qualitative Data on Community Needs.** City staff shall review relevant data and conduct necessary evaluation and analysis to provide an accurate assessment of community needs and priorities on which to base strategic recommendations.
- iv. **Public Hearings.** HUD guidelines require citizen participation plans provide for at least one public hearing during the development of the consolidated plan in accordance with 24 CFR 91.105(b)(3). This citizen participation plan plans for 8 public hearings to obtain public input during the consolidated planning process. Public hearing topics will consist of the following:

Public Hearing 1, November 4, 2013: **City Council**, approving the Citizen Participation Plan.

Public Hearing 2, December 11, 2013: **Community Development Commission (CDC)**, approving the analysis of impediments to fair housing.

Public Hearing 3, February 12, 2014: **CDC**, approving affordable housing priority needs.

Public Hearing 4, March 12, 2014: **CDC**, approving neighborhood and community facility priority needs.

Public Hearing 5, April 9, 2014: **CDC**, approving economic dev. priority needs.

Public Hearing 6, June 18, 2014: **CDC**, approving draft strategies for the 2015-2019 Consolidated Plan.

- v. **Draft Consolidated Plan.** (see Public Hearing 6) Based on survey data, focus group feedback, quantitative analysis, and internal staff team recommendations, CD staff will prepare a draft 5-Year Consolidated Plan, which also includes proposed allocation of first-year funding. The Consolidated Plan shall include the amount of assistance the jurisdiction expects to receive (including grant funds and program income) and the range of activities that may be undertaken.

Comment Period. A period of 30 calendar days will also be provided to receive written comments on the draft 5-Year Consolidated Plan leading up to public hearing 6. The draft plan will be made available at City Hall, the public library, the Columbia Housing Authority, the Public Health Department, and the City website. In addition, upon request, federal reports will be provided in a form accessible to persons with disabilities.

- vi. **Final Action on the Consolidated Plan.** (See Public Hearing 7) All written or oral testimony provided will be considered in preparing the final 5-Year Consolidated Plan. A summary of testimony received and the City's reasons for accepting or not accepting the comments must be included in the final document. The City Council will consider these comments, CDC recommendations, and the recommendations of the City Manager before taking final action on the 5-Year Consolidated Plan. Final action by the City Council will occur by October 14, 2014. Once approved by City Council, the 5-Year Consolidated Plan will be submitted to HUD, no later than November 15, 2014.

B. **ONE-YEAR ACTION PLAN.** Each year the City must submit an annual Action Plan to HUD, reporting on how that year's funding allocation for CDBG and HOME entitlement grants will be used to achieve the goals outlined in the 5-Year Consolidated Plan.

- i. CD staff will gather input from citizens and consultation of local service providers to prepare the draft Action Plan. The annual CDBG and HOME application process will guide how funds are allocated on annual activities. The CDC shall hold three public hearings for the development of each of the 5 funding year's draft Annual Action Plan and funding recommendations to City Council as follows:

Public Hearing 1, January: **CDC**, Community Development Needs.

Public Hearing 2, June: **CDC**, Public Projects (Streets, sewers, sidewalks, roads, internal housing programs).

Public Hearing 3, June: **CDC**, Agency Projects (community facilities, housing, economic development).

- ii. The CDC will be given the opportunity to make recommendations to the City Council prior to its final action on CDBG and HOME funding allocations for each year's Annual Action Plan.
- iii. CDD staff will gather public input and statistical data to prepare the draft Action Plan. A draft Action Plan will be available for 30 days for public comment.
- iv. The City Council shall conduct two public hearings to receive public comments on CDBG and HOME budget allocations and the draft Annual Action Plan. Final action by the City Council on the next year's Annual Action Plan will occur by the second meeting in October for each Annual Action Plan.
- v. When approved by City Council, the Action Plan will be submitted to HUD by November 15th of each proceeding program year.

C. SUBSTANTIAL AMENDMENTS TO CONSOLIDATED/ACTION PLAN.

Re: Approving the Citizen Participation Plan for the City's 2015-2019 Consolidated Plan for Community Development Block Grant and HUD Funding

EXECUTIVE SUMMARY:

The U.S. Department of Housing and Urban Development's (HUD) Consolidated Plan regulations require Participating Jurisdictions (PJs) to consider any comments or views of citizens at a public hearing in the development of a Citizen Participation Plan. PJs receiving HUD entitlement grant funds must develop a Citizen Participation Plan (CPP) in accordance with Title 24 CFR 91.105 of the Housing and Community Development Act of 1974, as amended. The CPP describes actions undertaken to encourage citizen participation in the development of the City of Columbia's federal reports: 5-year Consolidated Plan, the annual Action Plan, and the Consolidated Annual Performance and Evaluation Report (CAPER). The proposed CPP covers development of the City's next Consolidated Plan due to HUD by November of 2014.

DISCUSSION:

The City of Columbia is in the last year of its 5-year Consolidated Plan and is required by HUD to complete a new Consolidated Plan by November 2014 in order to receive annual Community Development Block Grant (CDBG) and HOME entitlement grant funding. The Consolidated Plan will identify priority community development needs, as well as CDBG and HOME funding priorities for the next 5 years. PJs are required to complete a CPP detailing how the City will obtain public input while identifying community development needs and establishing the 5-year priority needs.

The CPP is designed to encourage the participation of City residents in the development of the federal reports listed below, particularly low to moderate income residents, persons with disabilities, and minorities. The CPP also encourages local and regional institutions and other organizations (businesses, developers, and community and faith-based organizations) to participate in developing and implementing the 5-year Consolidated Plan and related reports.

The CPP applies to five areas of planning for the use of affordable housing, community and economic development:

- A. The 5-year Consolidated Plan;
- B. The Annual Action Plan;
- C. The Consolidated Annual Performance and Evaluation Report (CAPER);
- D. Substantial amendments to a 5-Year Consolidated Plan and/or annual Action Plan; and
- E. Amendments to the Citizen Participation Plan.

Community Development staff has assembled a technical team to assist in guiding the Consolidated Plan process. This team assisted in formulating the proposed CPP. The proposed CPP includes obtaining feedback through public survey, 8 focus groups and 8 public hearings to ensure maximum input from the public and key stakeholders. City staff is working with the MU Truman School of Public Affairs to identify a group of students to conduct the citizen survey and analysis as a part of their capstone requirements. The survey, focus groups and hearing schedule are referenced in the attached CPP (Attachment A). The proposed focus group subjects and dates are as follows:

1. Analysis of Impediments to Fair Housing, November 12, 2013: Define and educate the public on fair housing in Columbia and obtain input identifying impediments and barriers to fair housing.
2. Consolidated Plan Neighborhood Congress, January 9, 2014: Educate the public on the consolidated plan process, HUD funding and obtain input on City of Columbia community development needs.

3. Affordable Housing, January 23, 2014: Define and educate stakeholders on the status of affordable housing in the City of Columbia and obtain input from service providers, housing providers and the general public on affordable housing needs.

4. Community Housing Development Organizations (CHDOs), January 23, 2014: Explain and educate CHDOs on HUD requirements and gain input on how to most effectively utilize HOME CHDO funding.

5. Community Facilities, February 5, 2014: Educate service providers on eligible uses of CDBG funds and obtain feedback on community facility needs (renovations, expansion, and new construction).

6. Economic Development, February 6, 2014: Explain and educate the public, business leaders and key stakeholders on eligible economic development uses of CDBG funds and requirements. Gain input from public, business leaders and key stakeholders on economic development needs.

7. Neighborhood Needs, March 13, 2014: Define and educate the public and neighborhood groups/organizations on eligible and past uses of CDBG for public improvements. Obtain input on neighborhood and public improvement needs (streets, sewers, sidewalks, roads, parks, demolition and housing rehabilitation).

8. Homelessness, March 19, 2014: Educate the public on the status of homelessness in Columbia and obtain input from the public and service providers regarding homelessness needs.

Focus group formats will include a brief introductory presentation informing attendees on the Consolidated Plan process, as well as providing data and trends specific to that focus group subject matter. One key City staff goal is to begin focus group discussions with concise, relevant data and trends before opening up the meeting for discussion. The discussion portion of the focus groups will include facilitation by a 3rd party facilitator. City staff plans to work with MU Extension staff in facilitating group discussions, and is in the process of formalizing an agreement. The goal of the focus group discussion is to identify priority community needs specific to each meeting topic.

Public input obtained through focus group meetings, the citizen survey and public hearings will help identify priority community development needs in the City's 2015-2019 Consolidated Plan. The CPP is critical to effectively formulating and implementing the City's Consolidated Plan. The attached resolution approves the CPP.
