Re: Parking Prohibition on Morningside Drive (CM #3874)

**EXECUTIVE SUMMARY:**

Staff has prepared for Council consideration legislation amending Chapter 14 of the Code of Ordinances to prohibit parking along the east side of Morningside Drive at all times.

**DISCUSSION:**

At the November 4, 2013 Council meeting, staff prepared a report for Council concerning parking issues along Morningside Drive due to vehicles parking on both sides of the street, causing difficulty for the vehicles traveling in opposite directions to easily progress. Morningside Drive varies in width from 24 to 27 feet, except for the southern terminus which widens to a non-standard cul-de-sac. The Columbia Fire department conducted a field inspection and concluded that access could be an issue with vehicles parking along both sides of the street. Property owners along Morningside Drive were contacted by staff in August of 2013.

Section 14-330 of the Code of Ordinances currently restricts parking on the east side of Morningside Drive, from Wilson Avenue southeast 430 feet, between 8:00 a.m. and 4:00 p.m., Monday through Friday. With this amendment to the current ordinance, parking will be prohibited along the east side of Morningside Drive at all times.

**FISCAL IMPACT:**

The cost estimate for materials, equipment and labor is \$300.00, and will be paid from the Street Maintenance budget.

**VISION IMPACT:**

A network of safe roadways in and around the City will provide sustainable, efficient mobility to vehicular travel and other modes in a complimentary manner.

**SUGGESTED COUNCIL ACTIONS:**

Approve the legislation amending Chapter 14 of the Code of Ordinances to prohibit parking along the east side of Morningside Drive at all times.
