Re: FTA Annual Certifications and Assurances for Columbia Transit

EXECUTIVE SUMMARY:

Staff has prepared for Council consideration legislation authorizing the City Manager to make federal certifications and assurances for 2014, as required by the Federal Transit Administration (FTA).

DISCUSSION:

Each year, FTA publishes the current certifications and assurances in the Federal Register. The certifications that are required for Columbia Transit generally cover lobbying, public participation, operation of equivalent ADA Para-transit service, substance abuse testing, certifications regarding competition with private mass transportation companies, and special regulations governing school and charter operation. Also included are certifications applicable to the purchase of vehicles to include bus testing, Buy America, Project Delivery, Infrastructure and Federal Motor Vehicle Safety Standards requirements.

FISCAL IMPACT:

This legislation only authorizes the City to access any federal capital or operating assistance funding.

VISION IMPACT:

<http://www.gocolumbiamo.com/Council/Meetings/visionimpact.php>

Columbia and central Missouri, a growing urban community, will have a modern transportation system, which allows its citizens to move about freely within the region using whatever means are desired-automobile, bus, bicycle, walking-and to do so safely.

SUGGESTED COUNCIL ACTIONS:

Approve the legislation authorizing the City Manager to make federal certifications and assurances for 2014 FTA assistance programs.
