## Executive Summary

Boone County Family Resources (BCFR) and the Parks and Recreation CARE Program entered into an agreement on October 1, 2009, to initiate a program to provide staff and funding to support job training and placement for up to 10 youth with special needs. The current agreement ended at the end of BCFR's fiscal year (June 30, 2014). Based on the program success, BCFR wishes to continue this partnership. The proposed agreement will extend the program for one year from July 1, 2014 through June 30, 2015. The attached cooperative agreement as proposed by BCFR will provide \$45,684 in annual support for the program.

## Discussion

The Parks and Recreation Department has received funding from Boone County Family Resources (BCFR) to use for implementation of a program, within the current CARE program, to hire up to 10 youth who are clients of BCFR. The funds provide support for administration, a job coach and wages for the youth hired, through the City's CARE program. The mission of BCFR is to enable eligible persons to progress toward normal living and to develop as far as possible, their capacity, performances, and relationships with other persons.

The CARE program's mission is to provide employment placement and mentoring services for students, ages 15-19, who are at risk of unemployment or underemployment post graduation. BCFR has clients who are likely to benefit from this program. With the additional funding, the City CARE program will continue to accommodate up to 10 BCFR clients/students with developmental disabilities.

## Fiscal Impact

**Short-Term Impact:** The cooperative agreement as proposed by BCFR will provide an additional \$45,684 in funding for the Parks and Recreation Department. This revenue would be allocated to the CARE program. The additional funding would provide 10 youth with special needs the opportunity to hold part-time jobs and gain valuable work experience and skills.

**Long-Term Impact:** None.
