Executive Summary

Amending Chapter 14 of the City Code of Ordinances to establish "No Parking" on the west side of Executive Drive, between Southampton and Corporate Plaza Drive, between the hours of 7:00 a.m. to 4:30 p.m. These hours will be in conjunction with other "No Parking" areas when school is in session.

Discussion

As requested by Council, staff is proposing to amend Section 14-332.1 of the City Code establishing "No Parking" on the west side of Executive Drive, between Southampton and Corporate Plaza Drive, from 7:00 a.m. to 4:30 p.m., when school is in session (see attached location map). Because this ordinance will not be passed by Council until after the first day of school on August 19, 2014, Section 14-32 of the City Code allows the city traffic engineer, with approval of the director of public works and the city manager, to make traffic control regulations for a specified length of time not to exceed ninety (90) days, unless such regulation be continued in effect by the council by duly enacted ordinance. This will allow staff to install the "No Parking" signs at this location prior to the first day of school.

Fiscal Impact

Short-Term Impact: \$225 for materials, equipment, and labor, paid from Street Maintenance budget.

Long-Term Impact: \$225 as replacement signs may be needed.
