## Documents Included With This Agenda Item

Council memo, Resolution/Ordinance

**Supporting documentation includes:** Board/Commission Report (including locator maps and Future Land Use Map), Excerpts from Minutes

## Executive Summary

If approved this request will annex approximately 2.1 acres of land into the City of Columbia and assign R-1 (One-Family Dwelling District) as permanent City zoning. The subject site is located approximately 800 feet west of Thompson Road, and is addressed 4097 Thompson Road. (Case #14-135)

## Discussion

The applicant is requesting R-1 (One-Family Dwelling District) as permanent City zoning pending annexation of the subject site into the City of Columbia. The site is surrounded by City R-1 (One-Family Dwelling District) and County R-S (Single-Family Residential) zoning. The Future Land Use Map shows that the subject site is located within the Neighborhood District, which supports a wide variety of residential types and densities, including R-1 zoning and uses.

The reason for requesting voluntary annexation is to allow the existing single-family residence on the site to connect to the City's sewer system. The site is contained within the City's Urban Service Area, which identifies areas that either already have access to, or are slated to have access to the City's sanitary sewer system within the next five years, according to the Capital Improvement Program. The property is currently served by an on-site septic tank. City sewer lines are located west of the subject site, and have adequate capacity to serve the subject site.

At its August 21, 2014 meeting, the Planning and Zoning Commission voted unanimously (7-0) to recommend approval of R-1 as permanent City zoning. There was no discussion among Commissioners, and no members of the public spoke to this request.

A copy of the staff report (including locator maps and the Future Land Use Map) and excerpts from the meeting minutes are attached.

**VI) COMMENTS OF STAFF**

MR. ZENNER: Your next meeting will be September 4th, and we do have a number of items on that agenda. However, prior to getting to those items -- or we'll get to them now. You have two subdivision items and two public hearing items, one of which is the deferred item that was for the Gerbes Super Store C-P plan. We have a repeat of something that you have previously seen, and this is the
