## Executive Summary

The Share the Light program began in August 2001 as a way for residents to contribute to a range of City of Columbia projects through their utility bill on a one-time or monthly basis. As of May 31, 2015, more than \$224,400 has been raised for six areas of city programming. The six areas are community arts programming, community beautification, youth recreation scholarships, public health, fire prevention and education, and crime prevention. Each donation is made for a specific area of programming and is to be used only for programming in that area of giving. Staff is requesting appropriation of Share the Light funds already donated for use by the Columbia/Boone County Public Health and Human Services Department, Columbia Fire Department, and the Office of Cultural Affairs.

## Discussion

The Share the Light program allows Columbia residents to contribute to one or more of six areas of city programming that extend beyond basic City services. The six areas are community arts programming, community beautification, youth recreation scholarships, public health, fire prevention and education, and crime prevention. Since Share the Light started, more than \$191,700 has been appropriated (including this request) throughout all six program areas.

Columbia Fire Department requests \$681.60 to purchase 160 smoke alarms at \$4.26 each. The alarms will be distributed by the Fire Department to low-income Columbia residents.

## Suggested Council Action

Approval of this ordinance and appropriation of funds..

## Legislative History

Balances of Share the Light funds are announced to the departments overseeing the six areas of giving three times per year. There has been at least one appropriation request each trimester since 2011. The dollars requested are already donated; these appropriation requests arise when the departments wish to use the funds for particular City programs or services deemed above and beyond basic operations.
