Re: Traffic Restrictions on Rollins Street

EXECUTIVE SUMMARY:

Staff has prepared for Council consideration an ordinance authorizing an amendment to Chapter 14 of the City Code to restrict use of the bus pullout locations on Rollins Street, and allow only City buses to stop along the curblane along Rollins Street, in the University campus area.

DISCUSSION:

The recent changes to contracts for City bus service with apartment complexes has resulted in some apartment complexes contracting for private bus service. The University has made arrangements to provide a location for these private buses to pickup and drop-off on Missouri Avenue. With this ordinance change, only City buses will be allowed to stop along the curblane, and use the bus pullout locations, on Rollins Street, in the University campus area. This is to assure specific pickup and drop-off locations for Columbia Transit customers, and timeliness of the routes.

FISCAL IMPACT:

None
