Re: Parking for Lee Elementary School Volunteers

EXECUTIVE SUMMARY:

Staff has prepared for Council consideration an ordinance amending Chapter 14 of the City Code restricting parking on portions of Waugh Street to allow parking for Lee Elementary School volunteers.

DISCUSSION:

At the August 6, 2012 Council meeting, a motion was passed approving a three month pilot project at Lee Elementary School authorizing parking on portions of Waugh Street for school volunteers. The project started in September.

To initiate the program, Lee Elementary School, with input from City staff, created unique hang tags that are not easily duplicated. City crews installed signs with the text, "EXCEPT LEE ELEM HANG TAG" below the existing 20 minute parking signs on Waugh Street. On September 10 and 11, a message board was placed on Waugh Street that flashed the message: 20 MIN MAXIMUM; and PARKING ENFORCED. Enforcement was heavy during the first two weeks of the pilot. Displacing the illegal all-day parking in the 20 minute zone was initially successful due to the message board and the enforcement.

After the first two weeks, enforcement was reduced to levels similar to other downtown streets. School representatives report that some illegal all-day parking has returned to Waugh Street, but there is enough free space to allow vehicles with Lee Elementary School hang tags. The school would like to continue the pilot project, and staff recommends Ordinance 14-334 be amended to allow the Lee Elementary hang tags on Waugh Street.
