Re: Donation of 106, 108 and 110 W. Sexton to the Columbia Housing Authority

EXECUTIVE SUMMARY:

The proposed ordinance authorizes the City Manager to donate 106, 108 and 110 W. Sexton to the Columbia Housing Authority (CHA) for the purpose of affordable housing development. Each of these properties were acquired through the Neighborhood Stabilization Program (NSP).

In January of 2009, the City of Columbia was awarded \$610,806 in NSP funding through the U.S. Department of Housing and Urban Development (HUD) to assist in stabilizing distressed neighborhoods. Eligible activities in the City of Columbia's NSP budget include: rehabilitation, land bank acquisition, land bank disposition, redevelopment, and administration. 106, 108, and 110 W Sexton adjoin several additional properties that will be utilized for the entire affordable housing development project.

DISCUSSION:

The NSP is funded through HUD and administered by the Missouri Department of Economic Development (MoDED). The NSP provides funds to assist in stabilizing neighborhoods impacted by foreclosure. The City of Columbia budgeted funds for five NSP eligible activities including: rehabilitation, land bank acquisition, land bank disposition, redevelopment, and administration.

The City acquired 106, 108 and 110 W. Sexton through the NSP in December of 2010. The CHA currently owns several adjoining properties on the same block, and is planning to complete a significantly sized affordable housing project. The Columbia Community Development Corporation (CCDC) will also be donating 3 adjoining properties to the project. The CHA will be applying to a variety of funding sources, potential funding sources for the project include, City of Columbia CDBG and HOME funds, Missouri Housing Development Commission (MHDC) low-income housing tax credits, Federal Home Loan Bank of Des Moines, and tax exempt bonds. Total development costs for the project are estimated to be \$3,413,010, and will consist of 21 affordable housing units (6 single family residential, 3 three-plexes, and 3 two-plexes). Construction is projected to begin in the fall of 2014, with completion projected for fall of 2015. A brief summary of the project is included as attachment a.

The attached ordinance authorizes donation of these 3 properties to the Columbia Housing Authority for the purpose of affordable housing development.

Narratives

Divided into two major sections (Project Description & Organizational Description).

Project Description

1. Provide a 250-500 word summary describing the proposed project.

In December 2012, the Columbia Housing Authority (CHA) acquired several properties located in the vicinity of the intersection of Garth Avenue and Sexton Road for the purpose of developing new affordable housing to serve low-income families and individuals.

The purchase of these properties is part of the CHA's Affordable Housing Initiative which was launched in May 2012 with the goal of preserving and developing affordable housing in the heart of Columbia and surrounding neighborhoods. See attached goals and objectives.

The properties acquired by the CHA are located across from Oak Towers and in close proximity to other CHA properties that makes this a very desirable location for the CHA to develop additional affordable housing options. These properties are as follows and highlighted in blue in the map below.

Address	Lot Size	Sq. Ft.	Address	Lot Size	Sq. Ft.
1 East Sexton Road	1.96 Acres	85,377	105 Lynn Street	50' x 202.8'	10,140
104 West Sexton Road	59'x202.8'	11,965	107 Lynn Street	50' x 204.6'	10,230
700 Oak Street	60' x 198'	11,880	115 Lynn Street	50' x 211.5'	10,575

Since acquiring these properties, the CHA has formed a working partnership with the City of Columbia and the Columbia Community Development Corporation (CCDC) to develop affordable housing on CHA owned properties and adjacent properties owned by the City and the CCDC. The City of Columbia owns three adjacent vacant lots located at 106, 108, & 110 West Sexton Road. These lots were acquired by the City of Columbia through its Neighborhood Stabilization Program. The Columbia Community Development Corporation (CCDC) owns three adjacent vacant lots located at 109, 111, & 113 Lynn Street that they acquired with the intention of using for the development of affordable housing.
