Council scheduled a work session on Wednesday, April 29, 6:00 p.m.

Council was provided a handout regarding energy block grant (stimulus funding available). Staff requested Council direction to engage the services of Burns and McDonnell to prepare proposal/strategy. Council requested staff also conduct research/conduct interview for Franklin Energy (Wisconsin) to be placed on the pre-qualified list.

CDBG priorities – the City Manager asked Council to provide their suggestions to him in the next couple of days.

The Council continued their discussion from last week's work session pertaining to storm water. Tom Wellman and John Glascock were available to describe the drawings in the handout distributed to the Council and the public.

Dale Swaboda and Lori Fleming were present and reported no negative findings in the city's audit report – a formal presentation was made at the Council meeting.
