Armory Sports Center Will Extend Weekend Hours

For the second year in a row, Columbia youth between the ages of 12 and 17 will have additional recreation opportunities on Friday and Saturday nights. The Armory Sports Center will be open on Fridays and Saturdays from 7 to 11 p.m. starting June 16 and going through August 12.

Last year, the extended hour program was held on Saturdays only. It has been expanded to include Fridays this year. The gymnasium at the Armory is open for basketball and volleyball during those times. Tables are also set up for cards, dominoes and board games. Or, youth can just spend time with friends in a fun, supervised environment. Activities on Friday and Saturday nights are free.

No adults are admitted into the Armory during the late Friday and Saturday activities.

For more information on the program, call Parks and Recreation at 874-7460.
