Go Skateboarding Day Planned

Don't miss Go Skateboarding Day! The event, geared toward celebrating National Skateboarding Day, will be held from 2 to 6 p.m. on June 23 at the Columbia Skate Park at Cosmo Park. The event will feature skate team demos, free time to skate and helmet giveaways. It is free of charge.

All ages are welcome to participate and the event is open to those who have been skating for years, just starting out and for those who just want to watch. Participants will be able to enter the best trick contest and a high ollie contest for a chance to win a prize. Contest participants must wear helmets.

The day will also feature great music and food, plus the Missouri Department of Transportation will have their crash vehicle on display.

Go Skateboarding Day is presented by Columbia Parks and Recreation, Columbia/Boone County Health Department, Small Time Skates, Tiger Pilot Club, and Youth Community Coalition.

Call 874-7460 or log onto www.GoColumbiaMo.com for more information.
