New Slide Open at Oakland Family Aquatic Center

Columbia Parks and Recreation's Oakland Family Aquatic Center has a new feature for pool-goers. A new double loop enclosed flume water slide is now open to the public.

The 125-foot slide has been under construction for several weeks. Rainy weather has delayed its opening.

Cost of the slide was \$180,000, which was funded by the park sales tax. The Oakland Family Aquatic Center is located at 1900 Blue Ridge Road.
