## **Tiger Night of Fun Scheduled for Halloween**

An annual favorite, the Halloween Tiger Night of Fun will be held again on October 31. This safe alternative to door-to-door trick-or-treating will be held from 6-8 p.m. at the Hearnes Center Field House.

Tiger Night of Fun is a free event for the whole family. The activities are specifically designed for children sixth grade and under.

The event promises all sorts of ghostly activities, including fun games and lots of candy. Tiger Night of Fun is presented by Columbia Parks and Recreation, University of Missouri Athletic Department/Hearnes Center, KPLA 101.5, and Wal-Mart.

For more information, please call Parks and Recreation at 874-7460.
