Second Adult Singles Mixer Planned

Columbia Parks and Recreation will be hosting a second singles mixer from 8 to 11 p.m. on August 11 at the new Riechmann Indoor Pavilion in Stephens Lake Park.

The first singles mixer held in June was a success, with more than 60 people attending. The singles mixers are alcohol-free and smoke-free.

The mixers are open to single adults looking for a date, a mate, or even just a few more friends. Participants will enjoy music, food, and the company of other singles. The mixers are open to adults only at a cost of \$7 per person.

Register early, space is limited. To register, call 874-7460.
