## **Public Meeting Scheduled for Parks and Recreation Projects**

The Columbia Parks and Recreation Department announces an Interested Party Meeting concerning the addition of four tennis courts at Cosmo-Bethel Park and the addition of solar lighting at the ARC (Activity and Recreation Center).

The meeting will be held Thursday, February 21 between 6 and 7 p.m. at the ARC, 1701 West Ash Street, Meeting Room C.

Four new tennis courts are scheduled to be constructed at Cosmo-Bethel this year, bringing the total number of courts at the site to 12. The project will be funded by the park sales tax.

At the ARC, plans call for the addition of three solar lights to the parking lot. The lights would be similar to those in place at Stephens Lake Park.

The public is invited to attend the meeting and offer input or learn more about either of the two projects.

If you have any questions about the meeting, please contact the Parks and Recreation Department at 874-7460.
