

**Interested Parties Meeting – December 2, 2015**  
**for**  
**Nifong Park Improvements**

**Please comment on what you like about the proposed potential improvements. Please be concise.**

The increased parking will be useful for the popular Heritage Festival. But only being one weekend every year, it might be nice to look at alternative paving for parking stalls.

Excellent use of funds!

**What would you change about the proposed potential improvements? Please be concise.**

Move the shelter and playground closer to the parking and swap sides of the path, so the playground might take advantage of existing trees for shade. Opens up the space for more passive recreation. Also, a pedestrian connector to the trailer park would be nice for residents to easily access the park.

No changes.
