SHARE THE HARVEST

Share The Harvest Basics

- Food pantries around the state are *always* in need of more protein/meat to give to families in need. Venison is the perfect – and healthy – solution!
- The hunter has the option of donating a few pounds or the whole deer. (There is no price reduction for partial donations.)
- The goal is to have 10,000 deer donated statewide (7,000 were donated last year).
