Executive Summary

Setting a public hearing for January 20, 2015 for the construction of sidewalk and other improvements along the Avenue of the Columns (AOC) from Walnut Street to Cherry Street, as shown on the attached location map. An interested parties (IP) meeting was held November 11, 2014, and the concept cost estimate for the project is approximately $750,000.

Discussion

The AOC project was developed through a 2005 downtown master plan created to establish a unique corridor on Eighth Street from Walnut Street to Elm Street. The intent was to link the historic columns at the courthouse square to the columns cast in the Francis Quadrangle foreground of Jesse Hall, serving to remind us of the important relationship between Columbia and the University of Missouri. The first phase of this project was built when the City Hall project was completed, and a second phase was completed in 2012.

The current phase includes reconstruction of sidewalks on Eighth Street, from the south side of Walnut Street to the north side of Cherry Street, except the portions previously constructed; closure of any vaults under the sidewalks and removal of the canopy on the east side of the Eighth and Walnut Plaza garage. In addition, the existing traffic signals at the intersection of Walnut & Eighth streets will be removed, and a stop sign will be installed on Walnut Street to control northbound traffic at the intersection. Additional decorative "bump outs" will be constructed for the north side of Walnut Street to reduce the pedestrian crossing distance and improve safety.

An Interested Parties meeting was held for this project on November 11, 2014, and attendees were generally supportive. Six (6) people signed in at the meeting and everyone in attendance was supportive of this project. One (1) official comment (attached) was received.

Fiscal Impact

Short-Term Impact: The construction concept cost estimate for this project is $750,000, and will be funded by 2010 Enterprise Revenue Funds.

Long-Term Impact: None, maintenance of the sidewalk is the responsibility of the adjacent landowner.

Vision, Strategic & Comprehensive Plan Impact

Vision Impact: Downtown, Transportation
Strategic Plan Impact: Health, Safety and Wellbeing, Infrastructure
Comprehensive Plan Impact: Infrastructure, Mobility, Connectivity, and Accessibility, Livable & Sustainable Communities

Suggested Council Action

Following Council discussion and public input, Council should make a motion directing staff to proceed with plans and specifications for the project.

A RESOLUTION

declaring the necessity for construction of the Avenue of the Columns streetscape project along Eighth Street, between Walnut Street and Cherry Street; stating the nature of and the estimate of the cost of the improvement; providing for payment for the improvement; providing for compliance with the prevailing wage law; and setting a public hearing.

BE IT RESOLVED BY THE COUNCIL OF THE CITY OF COLUMBIA, MISSOURI, AS FOLLOWS:

SECTION 1. The City Council deems the construction of the Avenue of the Columns streetscape project along Eighth Street between Walnut Street and Cherry Street, specifically to include reconstruction of sidewalks, removal of the canopy on the east side of the Eighth and Walnut Plaza garage, removal of the traffic signals and installation of a stop sign at the intersection of Walnut Street and Eighth Street, and the construction of decorative bump outs on the north side of Walnut Street to improve pedestrian safety, necessary to the welfare and improvement of the City.

SECTION 2. The nature and scope of the improvement shall consist of furnishing all labor, materials, transportation, insurance and all other items, accessories and incidentals thereto necessary for the complete construction of the improvements.

SECTION 3. The estimated cost of this improvement is $750,000.00.

SECTION 4. Payment for this improvement shall be made from 2010 Enterprise Revenue Funds and such other funds as may be lawfully appropriated.

SECTION 5. Any work done in connection with the construction of the improvement specified above shall be in compliance with the provisions of the prevailing wage laws of the State of Missouri.

SECTION 6. A public hearing in respect to this improvement will be held in the Council Chamber of the City Hall Building, 701 E. Broadway, Columbia, Missouri, at 7:00 p.m. on January 20, 2015. The City Clerk shall cause notice of this hearing to be published in a newspaper published in the City.

ADOPTED this _____ day of _____, 2014.
